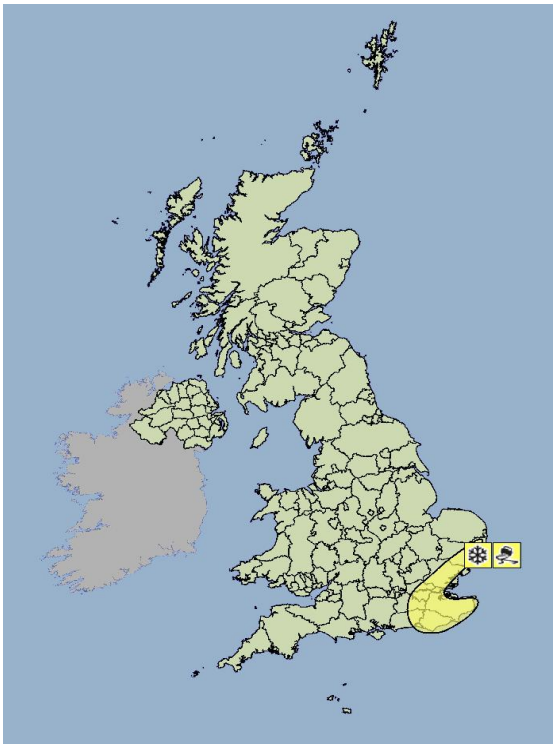
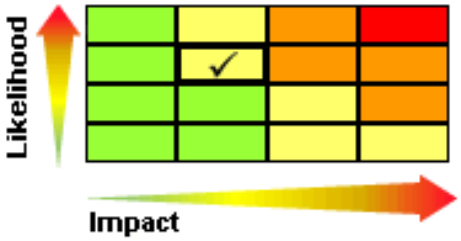
National Severe Weather Warning Service





Chief Forecasters Assessment
Scattered rain, sleet and snow showers are expected to be most frequent across Kent and East Sussex during Sunday evening before also affecting parts of East Anglia and Greater London later in the night. Showers are likely to fall as rain along eastern coasts but inland locally 1-3 cm of snow could accumulate, mainly over hills above 100 metres.

The Met Office have issued a **Yellow Warning** of **Snow and Ice**

Valid from **20:00 on Sun, 04th Feb 2018** until **10:00 on Mon, 05th Feb 2018**

Wintry showers are expected to affect southeast England through Sunday night and Monday morning.

Some roads and railways are likely to be affected with longer journey times by road, bus and train services. Some icy patches are likely to develop on untreated roads, pavements and cycle paths.
